CAB Agenda

Review of our feature “Stories” replace with “Words”

The thought is that we get kids in to record funny words and what the meaning is, we keep it at 60 seconds. Who do we need to contact? The school district is in a state of fluz, April might be a better time to plan this endeavor. Jessica does have a contact in Fruita that may be able to help. Sent her info to forward to her friend.

Some suggestions for other schools to be involved are:

New Emerson

Juniper Ridge

Joy @ the REC center?

Jessica will talk to the schools and help me coordinate the new stories.

Sunday Mornings feature has been changed from Play Morricone for Me to Woodsongs for Kids - have you heard it? Thoughts? It is the military version of it. It plays 6-8am.

No feedback on that right now, got a 13 part hour long series about Billie Holiday to play Sunday mornings. Will do an hour of Woodsongs and an hour of Billie and look for more.

Battle of the Bands might be a good tie in for the high school kids with bands. Raise \$ to go for prize. Instead of doing this during the school year we will promote to get the bands involved and have it in June or so.

New CAB Members needed! Maybe ask underwriters to join CAB? Put a mention on Facebook, we have almost 5000 followers.
